lemour@live.co.uk 

Web development is my major interest. I am consistently learning on how to effectively develop and maintain web applications.

Skills

- Problem Solving
- Strong Mathematical Aptitude
- Articulate Presentation
- Proficient Communication
- Flexible and Actively Motivated
- Full Stack Web Development
- HTML, CSS, JavaScript
- jQuery, AJAX
- Bootstrap
- Python Object Oriented Programming

Education

2015 - 2019

Bachelor of Engineering in Astronautics Engineering **Northwestern Polytechnical University**

I was entitled as the Excellent Graduate of 2019.

2019 - 2022

Master's Degree in Computer Science and Technology **Northwestern Polytechnical University**

I am carrying out my research in the Applications of Machine Learning in Medical Polypharmacy.

Projects

Advertisements Website

<http://lemour.pythonanywhere.com/ads/ads>

I built a CRUD web application where users can login, add advertisements and edit them. It is a full-stack application with both front-end (HTML, CSS, JavaScript, jQuery, AJAX) and back-end (Django, Python) functionalities.

Technologies used: Django, JavaScript, HTML, CSS, jQuery, Python Back-End Programming, CRUD application development, Bootstrap, AJAX, Web Technologies.

Certifications

Django Specialization

(coursera.org/verify/specialization/DPPQY9MG3VNT)

Skills earned: Web applications with Django, JavaScript, HTML, CSS, jQuery, Python Back-End Programming.

HTML, CSS, and JavaScript for Web Developers

(coursera.org/verify/73V52DVVW4AX)

Skills earned: JavaScript, HTML, CSS, jQuery, REST APIs, GIT Version Control.
